ABOUT THE AUTHORS

ANDREJ RASPOR, Prof. PhD

Perfectus Institute
Dolga Poljana 57, 5271 Vipava, Slovenia

E-mail: andrej.raspor@t-2.si

Andrej Raspor has a PhD in Social Sciences and is a mechanical engineering technician. After completing his studies in Organization and Management of Human Resources and Educational Systems at the Faculty of Organizational Sciences in Kranj, University of Maribor, he continued his post-graduate studies at the Faculty of Social Sciences of the University of Ljubljana and earned his PhD in 2010.

Relevant work experience in the field of training and consulting: With more than 40 years of work experience, he has spent over 20 years working in various senior leadership positions, including Head of General Administration, Director of Human Resources Development, Director of Strategic Projects, Head of the Expense Supervision Commission and director of his own company. He is also an entrepreneur, the founder of several start-up companies and a business consultant, considering it necessary to constantly test academic work in practice. His personal mission is to link and promote the exchange of good practices between the economy and academia, an area which he has been active for the last 10 years. Moreover, he is the owner of the company CEATM Ltd., whose vision is to connect the countries of the Western Balkans with China and Africa in the fields of tourism, investment, and business consultancy.

Research work: 5 Social Sciences; 04 Administrative and Organisational Sciences, with a focus on research in: (1) Employment relationships and processes, particularly the optimisation of work processes in terms of human resources, costs, and working time organisation; (2) Tourism, with emphasis on Chinese and African outbound tourism, tourism for people with special needs, sustainable tourism, and smart tourism; (3) Open innovation and Industry 5.0; (4) Gambling and gaming; (5) People with special needs (the elderly, persons with disabilities, and youth).

He has conducted several bilateral projects (through The Slovenian Research Agency) and also collaborates in Interreg Europe projects. He has also attended numerous international conferences, publishing the findings of his research work in numerous peer-reviewed scientific publications. Raspor is the author of several scientific and expert monographs and useful handbooks.

Email: darko.lacmanovic@unimediteran.net

Darko Lacmanović is a full-time professor at the Mediterranean University, Faculty of Tourism, Montenegro Tourism School in Podgorica. He has been teaching at the Mediterranean University, Faculty of Tourism, Montenegro Tourism School, and Faculty of Economics and Business since 2005, at undergraduate, specialist, master's, and doctoral levels. As a visiting professor, he has been teaching at the Faculty of Business Management in Bar, at both undergraduate and specialist levels, since 2012, and at the Faculty of Management in Herceg Novi, at the undergraduate level, since 2018.

Lacmanović graduated from the University of Split, Faculty of Tourism and Foreign Trade in Dubrovnik, 1987. He earned his master's degree from the University of Belgrade, Faculty of Economics, 1996. At the Megatrend University of Applied Sciences in Belgrade, Faculty of Business Studies, he defended his doctoral thesis entitled "Sales Management in the Hotel Industry", obtaining the scientific degree of Doctor of Economic Sciences in 2005.

He began his academic career in 1989 at the University of Split, Faculty of Tourism and Foreign Trade in Dubrovnik, as an intern-researcher at the Centre for Economic Research.

In a professional career spanning more than 14 years, Lacmanović has held positions as a procurement officer, sales director, and hotel director in various hotel and tourism companies.

He is the author or co-author of numerous monographs, scientific articles, presentations at scientific conferences, and scientific and professional studies in the field of marketing in tourism and sales management in the hotel industry.
